

About Us

The Long Term Care Educators Association (LTCEA) was formed in 1988 to provide a means to network, share resources and improve the quality of care in LTC facilities.

Members include facility educators, instructors, DON's, Administrators, nursing staff members, community based healthcare professionals, and others with an interest in long term care.

Goals of the organization include:

- Identifying and developing resources for the Long Term Care Educator
- Sharing teaching methods for adult learners
- Reviewing legislative changes at the State and Federal level that affect long term care
- Providing educational opportunities through monthly speakers
- Valuable CEU's for NH Administrators

LTCEA is registered with the State of Missouri as a not-for profit organization and is supported by annual membership dues of \$15 and funds generated through attendance at Fall conferences sponsored by the organization.

Caregiver of the Year Awards

Caregivers, whether uncertified or certified are often the ones that spend the most time with our residents, and do the most labor intense, stressful work – yet they are often overlooked in many situations. LTCEA would like to take the opportunity to honor these outstanding individuals with our 1st ever annual awards program. To submit a caregiver for nomination, or for more information, contact Sue Propper, Resource Librarian at:

Phone: [314.882.9542](tel:314.882.9542)

E-mail: spropper@stchas.edu

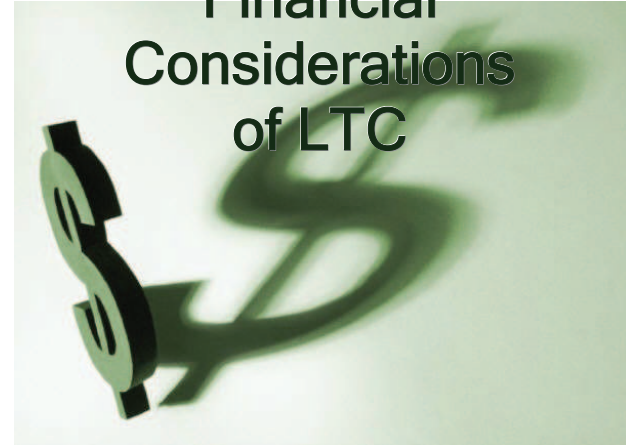

Miscellaneous

Handouts will be available for download on our website. Please visit: <http://www.ltcea.org>

Please dress in layers, as it is difficult to regulate the temperature of such a large room

THANK YOU to Abbott EMS for providing printing services! You are appreciated!

Money Talks! Financial Considerations of LTC

Long Term Care Educators Association

presents

The 23rd Annual Fall Festival of Learning

October 10th 2014

Christian Northeast Hospital

Paul F. Dietrick Atrium

11133 Dunn Rd., Saint Louis, MO 63136

FALL FESTIVAL OF LEARNING

Purpose:

The Fall Festival of Learning is designed to provide educational opportunities for the facility educator, Administrator, DON, staff nurse, community based healthcare provider and anyone involved in LTC.

Learning Objectives: (upon completion)

- Define turnover, discuss strategies to reduce turnover and improve staff performance.
- Discuss the financial impact of high turnover rates.
- Define the ACA, and review its impact on LTC services.
- Discuss changes and updates to ACA regulations
- Discuss falls, fall prevention, and the cost of falls to both the facility and the resident.
- Define specific fall prevention strategies and how to implement then.
- Define workplace stress, caregiver burnout, and sensory overload.
- Describe how to decrease these three stressors in the caregiver and the resident.

PRESENTERS

Sharon Bateman, SPHR

Sharon is the Director of Employee Relations and Recruitment for Bethesda Health Group. She is certified as a Senior Professional in Human Resources.

Ryan Barker, MSW, MPPA

Ryan holds a Masters in Social Work and Public Policy Administration. He is the Director of Health Policy at the Missouri Foundation for Health and has recently focused on the Affordable Care Act.

Raymond Miller, MS

Raymond holds a Masters in Occupational Safety and Health from University of Southern California and currently works for Direct Supply as the Director of Risk and Safety Solutions.

Connie Fisher, LCSW
